### Drive Performance. Build Pathways.

Warrandyte Venom is proud of its strong and growing basketball community. Our Senior Program is the pinnacle of the Warrandyte player pathway, and we are committed to strengthening the connection between our junior (VJBL) and senior (Big V) programs.

We are seeking coaches who are not only focused on building successful senior teams but who are also passionate about working with our program to develop and promote local athletes. These roles are pivotal in creating a clear, supported, and aspirational pathway for players who want to progress from junior rep to elite senior basketball within the club.
