

Stays done different

At Nightcap Hotels, we're your home away from home (and your local away from your local). Here, you get an unexpected experience—comfort without compromise.

We're like a big hotel chain with small town hospitality; rooted in communities across the country, where we treat you like a local, offering those little extras that bring big smiles—from welcome drinks to dining discounts.

Your special Basketball Victoria discount makes your stay that much more enjoyable.

With Nightcap Hotels, wherever you go, you'll feel right at home.

Cheers to that.
