- The clock will be started at the scheduled time, with the late team receiving a one-point penalty for each minute, or part thereof, that they are late. The only exception to this rule will be if there has been a late fixture change prior to the scheduled day and the school is unaware of the new fixture – this only applies to teams scheduled for first round games – and therefore no penalty will apply
- Each School is to supply a competent scorer on the bench at all times
- Wherever possible two (2) referees will be on court for all Junior, Intermediate & Senior matches

### **TIMING RULES**

- The **Sin Bin Rule** will be in place for all technical fouls. If a player commits a technical foul at any stage during a game, they must sit on the bench for 3 minutes of **actual** game time. This player can be replaced during those 3 minutes. Once the 3 minutes is up the player can then retake to the court through the next available substitution. If the player is given a technical foul within the last 3 minutes of any half, the remaining time will carry over until the following half or game.
- The **Sin Bin Rule** is also in place for any Bench Technical Fouls. If a Bench Tech is called, the offending person must move to the end of the bench and cease all communication with the bench in **any** form for 3 minutes of actual match time. Once the 3 minutes are up they can then return to the bench area and resume coaching/playing.
